NOTICE OF PROPOSED EMERGENCY RULEMAKING

The Department of Transportation (Caltrans) is proposing to adopt emergency regulations concerning the minimum sales price of State Route 710 (SR 710) surplus properties in Los Angeles County. Government Code Section 11346.1(a)(2) requires that, at least five working days prior to submission of a proposed emergency action to the Office of Administrative Law, the adopting agency must provide a notice of the proposed emergency action to every person who has filed a request for notice of regulatory action with the agency. After submission of the proposed emergency to the Office of Administrative Law, the Office of Administrative Law shall allow interested persons five (5) calendar days to submit comments on the proposed emergency regulations as set forth in Government Code section 11349.6. This document provides the required notice.

Upon filing the proposed emergency regulations, the Office of Administrative Law will have ten (10) calendar days to review and decide on the proposed emergency regulations. If the emergency regulations are approved, the Office of Administrative Law will file the regulations with the Secretary of State and the emergency regulations will become effective for 180 days. Within the 180-day effective period, Caltrans will proceed with a regular rulemaking action, including a public comment period. The emergency regulations will remain in effect during this rulemaking action.
